

Massage Therapy Helps Pets Too

Have you ever thought about pampering your pooch with a weekly massage? It may sound a bit extreme to some, but the trend is catching on. Heal Animal Massage Therapy based in Portland, Oregon helps to heal pets which are in pain by means of the power of massage therapy and other alike services are popping up all across the US. Pet pain may vary from stress from boarding when you are away, to stiff important joints from aging or perhaps a dynamic day at the park. Believe it or not, The International Association of Animal Massage & Bodywork has a certification program that allows people to learn the art of properly massaging animals.

Rubi, the founder of Heal Animal Massage Therapy "target="blank" Heal Animal Massage therapy, will be helping pets feel refreshed and back to normal. She travels to your door so that you can provide a massage session in the comfort of your own home or will visit Doggie Daycares in her hometown. Another service she provides is a "basic dog therapeutic massage class for owners". This class teaches the basics of pet massages for owners to use on their pets when necessary. Portland Tv news station KOIN-TV not too long ago aired a story about Rubi's massage therapy with regard to dogs. Check it out [HERE](#).

Many people now nights are looking for a more cost-effective way for caring for their own pets. Massage therapy is a great method that actually works for boosting your pet's immune system, helping them to breathe better and relieving pain from stiffened joints "target="blank" stiffened joints. This alternative technique also helps the pet's circulation and digestion. Plus, an appealing extra to be able to massaging your pet is the reduction of excessive scar tissue. This in turn means better mobility for your dog.
